~~Bar pilot,~~ Capt. George Woods

A. D. B. Feb. 1, 1901

His story of his trip in with the French bark General de Boisdaffre. On her two days. Since the French Capt. did not understand English, Capt. Wood used an old shoe for directions. He turned the shoe upside down when he wanted to tell the Captain they were in danger of wrecking if he did not follow his directions. He said he had to use the "upside down shoe" several times during the two days.
